### Product details

An Art Deco-inspired fan headboard with piping detail characterises our Manette bed to create a focal point in your own bedroom. Handmade in the UK by skilled craftspeople, this interpretation showcases upholstery in Kit Kemp's 'Lost & Found' fabric, designed in collaboration with Christopher Farr. The pattern features a repetition of dotted stripes and squares in a warm lemon shade. Resting on turned hardwood feet, this style sits low to the floor for ease and comfort.
