### Product details

Our Charli coffee table is a gallery-style piece in its own right. Echoing the vibrant mix of marbles and terrazzo finishes in Soho House Rome, this statement design is distinguished by four marbles that beautifully complement one another, while matching the rich colours of the House's interiors. A polished Dark Emperador marble sourced from Spain is met with green onyx in pale and light tones with veins of dark orange, rose gold and terracotta bringing depth to this stone. This is contrasted with Rosa Tea, a marble sourced from the Philippines in a salmon-pink hue, alongside Gold Carrara marble. Arranged in both linear and diagonal formations, this table is a striking way of showcasing marble in the home, and when not in use it draws the eye to the centre of the room.
